

Underbank Primary Home Learning – Primary 2

Topic:	Safe:	Healthy:	Healthy:
Write 3 reasons why you like living in your local community and share these with a family member.	Explain to a family member how you would respond in an emergency. What personal information might you need to give to the police?	Make a fruit face! Include all the facial features including some crazy hair!	Get your heart racing by doing at least 10minutes of exercise every day. Try skipping, football, dancing, walking up and down the stairs... even cleaning works up a sweat!
Literacy:	Art:	Nurtured:	Numeracy:
Have a hunt for compound words around your house and create a list of these.	Practise still life drawing. Set up an arrangement of objects in your house e.g. a fruit bowl/ dinner set/ vase of flowers etc.	Have some circle time with your family members; take some time to talk to each other. You could talk about some things you are thankful for.	Think of a number to 20 in your head, give a family member some clues about this number and see if they can guess it correctly. E.g. it is an even number, it is less than 15, it is between 10 and 14, it has a 3 in the units column.
Family time;	Achieving:	Numeracy:	Literacy:
Prepare a meal with your family. You could be in charge of the ingredients, or the chopping or stirring! (With an adult of course!)	Tell your family some personal information about yourself in French. Remember what we have learned in class. e.g. Name and Where you live. If you find this tricky, use the internet to remind you.	Use everyday materials to create some number equations. e.g using grapes; $7 \text{ grapes} = 3 \text{ grapes} + 4 \text{ grapes}$ Or $2 \text{ grapes} + 2 \text{ grapes} = 3 \text{ grapes} + 1 \text{ grape}$	Revise and list words that begin with the different double sounds we have learned so far in school. Complete some active spelling tasks! You could even spell your words in some shaving foam!
Music:	Numeracy:	Included:	Literacy:
Play one of your favourite songs and create some homemade instruments to go along with the beat. You could use a bag of rice or plastic tubs to act as the drums. Have fun!	Practise number bonds to 10 and 20. Ask a family member to ask you some of these and time how long it takes you to answer. Try this a few times to beat your time!	Relax and watch a film together as a family. After the film review it together, each person can name something they liked about the film.	Write a shopping list of all the things you might need for a party!
