

Underbank Primary Home Learning - Primary 5

Topic: With members of your family, play some of the Medieval games people have created and sent via Google Classroom. Have fun.	Safe: Talk about what makes you feel safe and secure with a family member.	Healthy: Read the labels of some of the food in your own home, e.g cereal labels, breakfast juice, snacks. Discuss with an adult what they contain. Research some of the names on the labels.	Healthy: Follow Joe Wicks at 9.00am each morning for 5 days. Can you feel your pulse at the end of the workout? What changes do you notice about yourself?
Literacy: From the daily Headlines in a newspaper or online find an article where the journalist has tried to create humour.	Active: Agree, create and undertake a list of cleaning or gardening chores within you household.	Nurtured: Try to think of times you have helped others. Discuss with your family how it makes you feel when you help others? Could you write a poem about acts of kindness.	Numeracy: Negotiate an acceptable rate of pocket money with your parents for "completing the list of chores" in your Active Column.
Achieving: Try using a measuring tape to work out the area of your bedroom/ garden/ entire house.	Achieving: Spring has sprung! Look for signs of spring. Ask if you could cut your own grass or could you help to do some gardening with members of your family.	Numeracy: Work on your addition, subtraction, multiplication and division working with digits up to 10 million. Create and Complete: Mon: 5 addition sums Tues: 5 subtraction Wed: 5 multiplication Thur: 5 division sums Fri: On-line fraction and decimal games using Top Marks website.	Literacy: Read the article that you found which made you laugh out loud to an adult. Prepare this so that your reading is fluent and expressive. Did they find it funny too?
Topic: Research Climate Zones. Record yourself reporting about a climate zone just like a journalist would do. Send your teacher the short film via Google Classroom.	Maths: Volume Find a measuring jug in your house. Look at the measuring scale on it. Use it to find out how much water some containers from your house hold. Take care not to spill too much!	Included: Read some stories together. Remember to take turns when reading. Summarise the main points to a member of your family. Write a summary and ask a family member to check it with you.	Literacy: Continue with your novel and prepare a book review on it.
