

**Underbank Primary School**  
***"We Can and We Will"***  
**School Improvement Plan 2026 – 2027**

**Priority 1 for 2026 – 2027:**  
**Improvements within Learning, Teaching and Assessment**

- Strengthen our approaches to learning, teaching and assessment through engagement with Pedagogy Pallet.
- Improve the teaching of reading by revisiting the teaching of **reading strategies** – Before Reading, During Reading and After Reading and our planning approach to this.
- Develop our school digital strategy through increasing staff awareness and skills within Clickview, AI and some Adaptive Technologies.

**Priority 2 for 2026 – 2027:**  
**Developing our Curriculum to ensure Continuous Improvement**

- Revisit, review and adapt our Spelling and Grammar programmes to further develop learners' literacy skills.
- Improve our approaches to wellbeing through the development of resilience within our curriculum, to enhance our wellbeing curriculum and impact positively on learners.
- To ensure our Wellbeing and Relationship Policy reflects the many approaches we have to wellbeing.
- **Improve staff capacity, confidence and knowledge of Curriculum Improvement Cycle as it develops throughout session 2026 – 2027.**

**Priority 3 for 2026 – 2027:**  
**Raise Attainment through targeted interventions**

- Selected interventions tracked within Literacy and Numeracy to positively impact on the attainment of our learners.
- Learners will have full access to a breadth of HWB opportunities and experiences to promote wellbeing, including Forest School.

**Priority 4 for 2026 – 2027**  
**Lanark Learning Community**  
**Moderation of Learning, Teaching and Assessment**

- Collaboration between all Lanark LC schools to moderate practice across common improvement priorities in Numeracy, Digital Technology, Science and Writing to promote shared standards, collaborative learning and shared accountability across sectors.
